

OPTOMETRY, CLINICAL LAB, GENETIC, & HOME HEALTH THERAPY PROFESSIONALS VOTE 95% YES TO SYMPATHY STRIKE

An overwhelming majority of ESC members voted and sent a clear message: we are united, ready, and will stand shoulder to shoulder with our union sisters and brothers to put an end to Kaiser's bad faith bargaining. SEIU-UHW's ULP strike is set for October 14-20 along with 80,000 other Coalition Union members across the Nation.
